# Terms and Conditions

## Undergraduate Theology Fees 2018-19

### Fees for BA Campus and non-accredited BA modules.

#### FEES

Programme fees cover the cost of tuition, accreditation (where applicable) and charges for the use of the School's facilities, both on campus and online.

The programme fees do not include charges for any residential accommodation, examination or re-assessment fees, travelling expenses, library fees, field trip costs, meal costs or other course costs.

Where relevant these will be the subject of a separate agreement between you and the School.

Programme fees are shown on the Union website: <https://www.ust.ac.uk/students/fees-funding>. They apply to the current academic year only. To reflect ongoing cost changes, it might be necessary for the School to increase fees at the start of each subsequent year of your programme. Any annual increases will be at or below the level of the prevailing RPI rate of inflation.

#### PAYMENT OF FEES

Full time BA fees are normally payable for three years.

Part time BA fees are normally payable for six years. This remains the case even if the programme takes a longer or shorter time to complete because of the choice and timing of modules.

Non-accredited module fees are payable annually according to their credit value and the number taken in the academic year.

Each year, at the start of your programme, you will be invoiced for your programme fees. You must ensure that you pay your annual fees on enrolment, unless an alternative arrangement has been agreed with the School.

Such alternative arrangements include payment by instalments. Payment by instalments will normally be either four equal monthly instalments by standing order, starting

immediately after enrolment, or three equal instalments throughout the academic year, usually in September, January and April.

You will pay any surcharge applied by the School in the event that you pay any instalment after the due date.

If you encounter difficulties in paying your fees, please contact the Finance Officer: [finance@ust.ac.uk](mailto:finance@ust.ac.uk) as soon as possible. We will be as flexible as we can in the light of your circumstances, and we will discuss a payment plan with you individually.

Where you are being sponsored by another party (e.g. a church, trust, family or friend), it remains your responsibility to ensure that arrangements are in place for such payments in accordance with any agreed payment arrangements. Should any such expected funding fail to materialise for any reason, you remain responsible for the payment of all fees.

Where you are funded by Student Finance, you are responsible for the payment of any shortfall between the School's fees and the amount of any loans and grants, or if you become ineligible for Student Finance for any reason.

## WITHDRAWAL AND CHANGES

In the event that you withdraw from the programme after the start of the academic year, you will normally be liable for the full amount of your fees for the remainder of the semester in which you notify UST of your intention to withdraw.

Specific terms and conditions apply if you withdraw from or change individual modules and you should consider carefully the financial implications before making any such changes. The terms and conditions for each programme can be found in the Student Handbook.

## FAILURE TO PAY FEES

If fees remain unpaid 28 days after they were due, the School shall be entitled to take measures to recover the debt, and/or to exclude you from the School, withhold you from any award or qualification, suspend further performance of its obligations under this Agreement, or refuse to allow you to proceed to any further stage of the programme, until all outstanding amounts have been paid or arrangements for payment have been established which the School considers satisfactory.
